1:00p.m. —6:00p.m.**

Can you believe it we have our first auction of 2026 and its not even April. Unfortunately with the Chiefs out early this year we have some extra weeks available but I still worked around the "Pigskin Sunday" fans and Linda already vollentarily told me I have a honey-do list over the long Presidents day weekend. The moon and stars aligned and I got a chance to sneak an auction in early, plus Ashley missed everyone over the holidays so she wants to catch up.

During the last viewing week you all complained to Ashley that the auction was US heavy. Since she likes to make you guys happy she spent her vacation time here digging around in the back and found a huge collection of foreign, including Romania and Vietnam. She found some unique foreign singles and I came across a nice collection of US with singles that we don't usually find in common collections—definitely check these out. If you avoid foreign collecting because typically you have to buy the entire world wide album to get the one country you were wanting. Ashley has separated countries out individually and made smaller manageable lots. They will spend an auction or 2 as single countries then they will get grouped back together by larger collections — so get them now while they are exactly the country you are looking for instead of a huge album of things you don't want or need.

Speaking of albums - word on the stamp street is that Amos and IHOBb have stopped selling albums, at least for awhile. E & D may be your only source for albums, we are defiantly cheaper than the big guys. Checking out our supply lots or Ashley's table and book shelf of things under \$1.00 may be a great resource.

**Staffing update:** Our friends in DC have not made any decisions on ACA or the budget so Ashley may have some time in February to get ahead of the next auction — She is taking requests if there is a particular countries or something you are looking for—but she makes no guarantees. Our tech guy, Dustin, went off and graduated UMKC in December with a Bachelors in Business and now is working at Community America which puts us back to my plugging away speed on the website.

Jim is still keeping me company every Tues—Fri 1–5 if you are looking for something to add to your collection today. He will also be here after the auction if you want to see what he has or just chat—and he makes appointments during if you can't get here between 1 and 5. during the week.

**That is all the news fit to print,** if you need to make arrangements for Sunday viewing please remember these appointments are only for those of you driving more than 75 miles each way. The doors to the auction floor will open at 12:45 on Sunday 1 February, 2026 and we will begin auctioning at 13:30. (1:30pm)

**Payment:** Cash, Check and Credit cards are still accepted. There is a 3% addition to the credit cards to cover most of their processing fees. The sales tax rate for Claycomo is 7.725%.

**Shipping:** Shipping will still be handled the same. A local handling fee of \$10.00 plus 5% will be added to orders if you live within 75 miles as the crow flies.
