The clown is here for Ashley's Birthday this year.... So be careful he might sneak something in your box if you don't come to viewing.

Viewing week:

**Monday - 17 August 2026—Saturday 22, 2026
1:00p.m. —6:00p.m.**

After some issues we have gotten the next auction up and running. Please visit the website, I have redone it once again. I have been trying to find a compromise between ease of use for myself as well as customer. I have tried to fix the information for the new customers as well as future consigners. I have finally added the store tab so check back often as things will keep getting added. There are a few items in there now and after the auction there will be some unsold lots added. I have a TON of FDCs and singles that are headed that way. Prices are marked as they are because I still have to abide by the rules I set for the consigners.

We currently have over 600 lots in this auction. Ashley has already got about 300 ready for the next auction. She is hopeful that we can have 2 more auctions this year but unless I make them a little lighter it will be tough. I currently have 5 consigners with over 50 rubber maid tubs of items she is attempting to get through.

This auction has some unique finds. We have several lots of First flight covers, 7 different US Zeppelins, supplies, remainder lots, stamps off paper (Ashley weighed them but did not spend the time going through the boxes, they could hold some good treasures), there is most of a complete set of CSA, some Indian states and a lot of Country lots.

For you Great Britain collectors I have found a #1 with 4 frame lines and a very faint red cancel as well as a #2 with 3 frame lines. Also something I bet most of you don't have in your collections yet, a beautiful Scott #176, 1 £ green "Britania Rules the Waves" (or Seahorse). So make sure you check out the entire catalog.

Make sure you attend the Sunday auction, it's Ashley's birthday so she is planning on having treats for everyone. The doors to the auction floor will open at 12:45 on Sunday 23, August 2026 and we will begin auctioning at 13:30.

The sales tax rate for Claycomo is still 7.725%. Payment: Cash, Check and Credit cards are still accepted. There is a 3% addition to the credit cards to cover most of their processing fees. Shipping: Shipping will still be handled the same. The local handling fee of \$10.00 plus 5% will be added to orders if you live within 75 miles as the crow flies.

Ashley is still peddling her empty binders of all sizes and Vario style pages if your interested. She also has decided to continue the book sale. Dots will indicate price most will be under \$4.00 some as low as .50¢ (we have new stuff and she needs the space—Please take the books home). Lots of older catalogs— do you really need a brand new one???
