SECURITY UPDATE:
UNDER THE CLOWN'S WATCHFUL EYE

Word to the wise: If you feel an eerie, unblinking gaze while sorting through the catalog folders... don't panic. He's just ensuring nobody sneaks a peek at the hidden treasures before Sunday. Bid generously—we don't want to make him cross!

AUCTION #144: A MOUNTAIN OF NEW TREASURES!

Step right up and pull up a chair! Auction #144 is shaping up to be one of our biggest and best events yet. Our team—led by the tirelessly brave Ashley—is currently excavating an avalanche of fresh inventory! We just took in 3 major new consignments totaling over 25 packed tubs of merchandise. This comes on top of the massive 100-box, tote and tub consigners from late 2025 and early spring that we are still meticulously uncovering. Our domestic US material is a little thin this month, but our worldwide and foreign country selections are massively stacked! With global prices sitting at an attractive sweet spot, this is the absolute perfect time to explore something different, expand your collection. Come find your next international crown jewel!

📦 WHAT WE'RE UNCOVERING: ALBUMS, BUNDLES, & DEALER SECRETS

• Massive Box Lots & Complete Albums: Packed with hidden treasures, featuring comprehensive foreign collections and country-specific binders.

• The Fan-Favorite "Country Envelopes": We are continuing to roll out these mystery bundles from our late 2025 consignor! Each envelope is stuffed to the brim with an intact, curated country collection. You've been loving the thrill of sorting through these, and we still have plenty left to clear out!

• Uncovered "Dealer Hoard" (Consignor #2): We are finally diving into 102 file boxes from our early 2026 estate intake. Looking through this material, it's highly likely this person was a stamp dealer at one time! Expect beautifully organized, numbered material, highly specific country folders, and an absolute mountain of plate blocks.

• Mint Postage for the meticulous collector or just in need of face-value postage, we have tons of plate blocks ready to be added to your stash or put to work on mail.
